

Rosa Kaiserman With Her Brother And Sister

This picture features me and my brother in the yard of the house, where we lived in our childhood.

It was a very long yard with many apartments on both sides.

I, Rosa Kaiserman, am on the right side, in the middle is my brother, Pincu Kaiserman and to the left my sister, Clarisa Kaiserman.

We were very little, I was five to to six years old. Between us is a difference of one and a half years.
