

Sami Fiul's Cousin, Estera And Her Husband, Isac

This is a photo of my mother's, Dorina Fiul, nieces: Estera was the eldest daughter of Berl Herscovici, one of my mother's brothers; you can see her here together with her husband, Isac (I don't remember his last name), he was also a Jew from Bacau; he was an upholsterer, and she was a housewife. They left for Israel in 1946 or 1947, and they stayed in Lod. They kept in touch with my family for a while, but I lost track of them over the years. I hope that I will be able to find

them or their family, if I have the chance to go to Israel this spring [2004].
