

Iren Izsak And Klari Biro On An Excursion With Friends

This photo was taken during an excursion in the Buda mountains in 1924. My mother, Iren Izsak, nee Torok, is the second from left in the middle row. Next to her is her sister Klari, next to Klari is Bozsi Szenes, their cousin, and their other cousin, Laci Szenes is also in the picture. In this period, in the mid 1920s they met the Szenes siblings quite often. They had many common programs, they mainly went to the theater or to the cinema together.
