

Pepo And Rashel Finanzer

This photo was taken in Istanbul in 1950. You can see my mother's brother, my uncle Pepo Finanzer, and his wife Rashel. Pepo Finanzer was in the wholesale textile business on commission, in Sirkeci, like his father. He was married to Rashel Tovi. They had a daughter, Esterika. They lived in Istanbul but emigrated to Israel towards the end of their lives. Pepo died there in 1971, as did his wife shortly after. Their daughter still lives in Israel.
