

**CENTROPA JEWISH NETWORK  
THE 5<sup>TH</sup> PROFESSIONAL DEVELOPMENT  
SEMINAR FOR TEACHERS  
IN EUROPEAN JEWISH SCHOOLS**

**BERLIN, 12-14 FEBRUARY, 2017**

*Do you teach in a European Jewish school? Would you like to get your students involved in cross-border projects with students in Jewish schools all over Europe, North America and Israel while helping building Jewish identity? Of course you would! Now is the time to sign up for the fifth annual CJN seminar!*

**SO WHAT IS CJN AND WHY  
WOULD I WANT TO JOIN?**

CJN is a community of teachers, school directors and students dedicated to bringing 21st century skills to Jewish education: teachers join in because they meet and share best practices with their counterparts working in two dozen countries. Students get involved because we offer cross-cultural projects that use video and social media to explore Jewish history, culture, and identity. Our goal: to create a cross border network that connects us all while strengthening Jewish life in Europe.

**COSTS**

We will pay the hotel, seminar lunches and snacks for the participants. We ask all applicants to cover their travel expenses themselves, or through their school. If you or your school is not able to cover all or part of your travel expenses, please contact us as soon and possible. We do have some funds available to reimburse travel costs for those who most need it.

**DURING THE SEMINAR,  
YOU WILL...**

- ... discover new teaching resources:
  - Centropa's database of Jewish family photographs, interviews and short films;
  - traveling exhibitions;
  - successful project ideas developed by CJN teachers;
  - innovative, technology based pedagogies.
- ... network with other teachers:
  - develop lesson plans together;
  - create cross-cultural projects;
  - learn what's working in other European Jewish school curricula and programming;
  - be part of a vibrant international community of fellow colleagues.
