

Morys Ejnesman

This is my elder son, Morys Ejnesman, in his own store in Canada. The photo was taken sometime in the 2000s. He's an interior decorator. My children have a different life. My children wouldn't want to live like me.

Morys has a good job, I'm very happy for him, and very proud of him. He's an owner of a store. It's an interior decorations store. My elder son Morys has three children: Denis, Cora, and Tina.
