

## Our Daughter Stella

Erna and I had three daughters from our union. Our oldest daughter Sara was born in 1948, Rosita in 1950, Stella in 1954. All three of our daughters attended elementary school in Isik Lisesi. Sara and Stella finished Saint Benoit French highschool later on. Rosita, on the other hand, graduated from Robert College.

Our youngest daughter Stella graduated from the Bosphorus University with a degree in chemical engineering with outstanding achievement. With the help of the Israeli government she did her masters and doctorate in "The Weismann Institute of Science" in Rehovot for 8 years. After

graduating she sent all her diplomas to New York and applied for a job. Of course she was accepted, she has been working as an academic for 20 years while continuing her research. She is now a United States citizen and is single. She comes every summer to Istanbul for 3 weeks to see us.
