

Isac Milstein

This is my brother-in-law, my husband's brother, Isac Milstein. I believe it was before serving his military service. [Editor's note: Probably he was a Strajer (Watchmen).] The photograph might have been taken in Botosani, but I don't know what year it was.

My husband, Bernard Milstein, was from Botosani. He was about three years older than me, so he was born around 1919, something like that. He had an older brother, Isac Milstein, he too is dead. He lived here in Botosani, he was an accountant. He was married but didn't have any children.
