

Rosa Kaiserman As A Girl

This is me, Rosa Kaiserman.

The back of the photo reads 14th September 1941. I was almost 16 years old.

I was wearing an ecru dress, made of some cloth – it was a very well done, with sporty pockets. It was a very beautiful frock.

On that time there were three-quarter length dresses, just below the knee.

Because of my eyes I was called the Chinese girl.

I don't know why. Did I have a lackadaisical look?

They called me that way, the Chinese girl. Actually Chinese women are beautiful.
