

Erzsebet And Andras Kremer

She is Bozsi [Erzsebet], the younger sister of my mother, Rozsi Eisikovits (nee Weisz), and her daughter.

Bozsi married Dezso Kremer, a corn-merchant from Nagysarmas.

They lived in Kolozsvár. They had two children, a son, Andris, and a daughter.

The son was around 5, the daughter one and half, two years when they were deported. The whole family perished in Auschwitz.

The eldest Weisz child was uncle Adolf, then came my mother, Karoly, Lora, Resi, Jolan and Bozsi.
