

A Studio Photograph

This photo was taken on 5th October 1924, in a photo studio in Bratislava. From right to left, it shows my mother's sister, Irena Ehrenreichova, her husband, Alexander, and my mother, Helena F.

My mother's sister, Irena Ehrenreichova, lived in Sahy after getting married. She had two children, Stela and Richard. Except for her husband, they all died during the war. He remarried, and then died of a heart attack. His second wife emigrated to Israel.
