

Ferencz Gaspar

This is not one of my photos. I have this photo from my husband Andras Gaspar, Andris, but I don't know who is in it, probably some relative of his. He had more photos of his family than me. It is from an old album, he used to collect photos. We moved many times, but my husband used to say we should bring the photos with us to prevent them from being thrown away. There are many photos I don't know anything about, but I kept them anyway.
