

Janeta, Ghizi And Puiu Droniuc

This is a picture taken in August 1946 in Vatra Dornei. The person in the right is my maternal grandfather's sister, Janeta, on her left is her daughter Ghizi, and the child is Puiu Droniuc, Lidi Droniuc's son, who was aunt Janeta's other daughter.

My maternal grandfather had three sisters: Sophie Gingold, Regina Weber and Janeta - i don't know her family name after marriage. Aunt Janeta converted to Catholicism and lived in Bucuresti. She had two daughters, who lived in Bucuresti: aunt Ghizi [Ghizela] and aunt Lidi [Lidia]. Aunt Lidi had a son, his name is Puiu Droniuc. He lived in Bucuresti for a while and before the Revolution he emigrated to Germany. I don't know anything about him.
