

Fabian Meer, Sorin Meer And Simon Meer

Here on this photo I am standing to the left, in the middle my younger son Sorin and to the right my older son Fabian.

The picture was taken in Dorohoi, but I can't recognize the place anymore.

It was probably on a Saturday or Sunday, were we would go out for a walk and a good friend of mine took this photo of us.

We had friends who were taking pictures of us so instantly either in the park, at a bargain, balls and different meetings.

They were giving us the pictures free of charge.
