

Iancu Meer With His Family And Relatives

Here you can see, Iancu's, my brother's family.

He is standing in the back row the third from the right with his wife and in front of them are their five children.

The older boy Slomo Meer and in the front the little girl seems to be Sarola Meer.

The names of the rest children I forgot their names.

The couple on the left is my brother Moses Meer with his wife, Hermina Meer, and the couple on the right is my younger brother, Hanina Meer, with his wife, Rachel Meer.

The picture was taken in Israel, probably in Rehovot, towards the end of the 1960s.
