

Mazal Asael's Maternal Relatives

This is a photo of some relatives of mine. Moritz, my mother's sister Bucha's son, is on the left. Next to him is the son of my mother's cousin from Serbia whose family left for France in 1933, and next to him are Rufat and Avram, sons of my mother's other sister Mazal. The photo was taken in the 1930s when my mother's cousin from Serbia came from France to meet his relatives in Sofia.
