

Mazal Asael's Maternal Relatives

This photo was taken during the visit to Bulgaria of a cousin of my mother's who left for France from Serbia in 1933. My mother's brother Marko is on the right, my maternal aunt Lenka's daughter Stela is next, then comes Aunt Mazal's son Rufat, and his father Leon is behind him. My mother's cousin - I don't remember his name - is in the center. Next to him are aunt Bucha's sons, Moritz and Buko; Aunt Lenka's son Shelomo, and Aunt Mazal's daughter Vita. The photo was taken in the 1930s in the yard of Aunt Mazal's house at 9 Bregalnitza Street in Sofia.
