

Rebeca Assa's Cousin

This is my cousin, the son of my mother's brother Liezer Illel. I don't know his name. Liezer left for Cuba in 1931 and sent his son's photograph from there. I don't know his name. The photo was taken in 1933. Later on he moved to Chicago. I have first cousins in the States, but unfortunately I don't keep in touch with them.
