

Lora Benvinisti

This is my brother Albert's eldest daughter, Lora Benvinisti, in the town of Jafo, Israel in 1955. My brother Albert married his wife Christina in Sofia and went to Israel after that. He lived there for 13 years and got the Israeli citizenship. He was a truck-driver and he used to transport food leftovers to animal farms. He works in a machine trade company in Israel and his work there is highly valued. His job involves lots of travelling and trips to Bulgaria, and he often stays here for a couple of months. So that's how we manage to meet each other.
