

Ednah And Eliezer Michalowitz

This is a photograph of my daughter Ednah Michalowitz, née Beer, and her husband, Eliezer Michalowitz. Eli, as we call him, was born in the town of Safed in 1949 and works as an electrician. Our daughter Edna was born on 25th February 1953. When she was 18, Ednah graduated and joined the army. She served in Tel Aviv, close to Moshe Dayan, David Elazar and other well-known soldiers. Then Hanan graduated and went into the army; shortly thereafter Ednah got married.
