

Nineta Beraha's Wedding

This is a picture taken before the wedding of my daughter Nineta. You can see my two grandsons Albertos and Carolos Beraha, they are the sons of my first daughter Matilda. Behind my daughter you can see my wife Deniz Beraha. After school my three daughters decided to go abroad, the two older ones went to Israel and the youngest one, Sarah, went to Paris. Matilda went to Haifa and Nineta went to Jerusalem; my wife was with me in Jerusalem to get Nineta settled. Nineta also lived in England, while doing a graduate degree at the University of Leicester. studied History of Art and Museumology.
