

Yakov Sabitai's Family

This is a photo of the family of my father's youngest brother, Yakov. He is on the right. Next to him are his daughter Reina, his wife Sterka, who is holding their son Israel, and his elder daughter Vizka. This photo was taken before they emigrated to Israel in 1949. They managed to sell the house that they had in Sofia. The children of Yakov and Sterka live in Jaffa and have two children each.
