

Ferenc Deutsch's Fourth Wife Edit Czitrom At Their Wedding

This is my wedding with my fourth wife, Edit Czitrom.

We had a civil marriage here and a Jewish marriage in America to which I invited 50 friends of mine.

My third wife died in 1990. I stayed alone after that for six years, I was not thinking of a fourth. But I came home and met my current wife, Edit Czitrom.

She was born in Budapest and is a teacher. Her mother was 91 when she died and Edit was with her mother until the age of 58.

She did not want to leave her. We have a flat here and another in America, I've got a car, and a very good wife. What more could I want?
