

Jozsef Faludi's Wife Mazal Faludi And Sons Lexi, Tamas, And Emanuel Faludi

This picture was taken here in Hungary when I was a soldier. I cannot remember the name of the town but it was somewhere in the North. My family came to visit me and I took a picture of them. Mazal, my wife, stands on the right. Next to her is Lexi in my military cap. The little boy in the middle is Tamas and the other on the right is the eldest, Emanuel. The man between them is a friend.
