

Viola Rozalia Fischerova With Her Husband And Children

This picture was taken in Lucenec in the 1960s. This is a photo of me (third from the left), with my husband Juraj Fischer (first on the left) and our children. Our younger daughter is Vierka, and the older one Helenka. Second from the right is Aunt Gizike, who one could say raised my children. She was a domestic so that I could go to work. She took care of my household and also took care of my children when the old man, my husband, was in jail. Gizike died of cancer. ?Az Istenke áldja meg ahol a sírja van neki!? (?Let God bless the place her grave is!?) In Lucenec they wanted to raze the place her grave is, so I bought the piece of property.
