

Alica Gazikova And Albert Gazik At The Summit Of Mt. Chopok

The picture shows me, Alica Gazikova and my husband Arnold in the year 1958 on Mt. Chopok. During summer vacation we would go on holidays around Czechoslovakia. They were those advantageous ROH recreational activities. So we were for example for cultural recreation in Prague, all ROH. We were in the Krkonose Mountains, we were in Mariánské Lázně around two or three times. In fact even for our honeymoon in 1954 we went on an ROH trip to Mariánské Lázně.
