

Irving Kleinmann Playing Golf

This photo is 70 years old. It was taken in the USA, before World War II. You can see my brother Irving Kleinmann, who used to work as a waiter at the time. After the war he got the position of a manager. Here you can see him playing golf.

My brother Nabel was born in 1900. In 1929 he went to America and worked as a servant. There he changed his name to Irving. He worked as a manager after World War II. He was married to Ester who was born in New York in 1912. She died in 1999 in Florida. Irving died from Parkinson's disease in 1986, also in Florida.
