

Lujza Wohlwert With Her Husband Bela And Her Nephew Herbert Abrahamovic

This is my oldest sister Lujza Wohlwert, nee Friedmannova, with her husband Bela Wohlwert and her nephew Herbert, the son of our sister Anusa and her husband Sandor Abrahamovic. None of them is alive any more. Lujza finished an accounting course and worked as a clerk before World War II. Her husband Bela was born, I don't know in which town, in 1905 and was a shopkeeper before the war. They were both killed in Auschwitz. Herbert was deported with the family to Treblinka, where he died at the age of four.
