

The Wedding Photograph Of Nisim Gadol

This is a photo of my cousin Nisim Gadol and his wife in France, taken on their wedding day, 15th October 1969. Nisim is the son of my mother's youngest sister Paola Gadol, nee Elazar. He was born in Sofia in the late 1930s. He left for Israel with his family in 1949. My cousin married a French woman - I don't remember her name - and lived in France for some time, after that he divorced and went back to Israel where he worked as a lawyer. He has already passed away.
