

Bernard Knezo Schönmburn With His Wife Anna

This photograph shows me and my wife Anna in our Bratislava apartment in 2006. It was taken by our friend Yuri Dojc. Yuri is working on something similar to the Centropa organization, only that he does it through photographs. The project he's working on is called: Holocaust survivors documented by Yuri Dojc since 1996, in the Slovak Republic. The slogan of this project is the following: We Endured, No foreign sky protected me, no stranger's wing shielded my face. I stand as witness to the common lot, survivor of that time, that place.
