

Edit Kovacs' Cousin Zoltan Varga

Zoltan Varga is the son of Gyula Varga and Gizella Habermann, who is the daughter of Lori Habermann, the sister of my father's grandmother. The reason why I have a picture of Zoltan is that my father was raised by his grandparents and thus regarded Zoltan as a close relative. I know little of Zoltan's life, but I do know that he died in forced labor in Kophaza.
