

## Helena Kovanicova With Relatives

This photo was taken at a family gathering in Prague in 2002. On the right my granddaughter Helena Kovanicova, my sister-in-law Alena Synkova, beside her my brother Jiri Munk. Sitting below them is their daughter Hana Munkova and behind them in the background is her partner at the time, Pavel. I'm beside them with Hana Munkova's dog Fabio and at the far left is Zuzana, my son's wife. My brother Jiri Munk was born in 1932 as the youngest of three siblings. The middle brother, Viktor, is unfortunately no longer alive, he died in 1997.
