

Zinaida Leibovich's Mother's Friend Donia

This is my mother's friend Donia. This girl perished in Lvov in 1941. My mother had quite a few friends - both Russian and Jewish. Her Jewish friends Genia and Donia (I don't know their last names) were not evacuated during the war and were killed. Donia perished in Lvov and Genechka - in Kamenets-Podolsk. Sonia, another friend of my mother, also was killed in Kamenets-Podolsk.
