

Graduation Photo Of Piroska Lunczer, Imre Lunczer's Youngest Sister

The graduation photo of my sister Piroska Lunczer. The photo was taken in 1938 in Gyor. There were five children in our family, three girls and two boys. Sarolta was born in 1904, Ilonka in 1906, Piroska in 1920 or 1921. Endre, my brother, was born in 1908. All of us were born in Horvatkimle. Of the girls, only Piroska graduated from a high school, the commercial school in Gyor. My brother also graduated from there. Sarolta married a man named Vilmos Reiner. They lived in Gyor and had a prosperous little haberdashery. Sarolta was taken to Auschwitz; she came back, but Piroska, who was deported at the age of 21, and my mother, did not.
