

Mesko Nikolai At The Grave Of Rabbi Shapira In Mukachevo

This photo was probably taken in the year 2000 in Mukachevo in the Jewish cemetery, at the grave of rabbi Shapira. Every year the Rovt family comes to visit Mukachevo. They live in America, and each year they come to visit the grave of rabbi Shapira. The man in the hat on top of rabbi Shapira's grave is old Mr. Rovt. I'm the man wearing the brown cap on the left.
