

Solon Molho At His Grandson's Bar Mitzvah

This is a picture of the bar mitzvah of my first grandson, Solon Molho, the son of my son Mair Molho and Rena Molho. It was taken at the Monastirioton synagogue in Thessaloniki in 1983. On the right there is my husband, Solon Molho, and next to him is Leon Benmajor, who was the president of the Jewish community at the time. Both of them are wearing their tallit and kippot.
