

Ester Finanser's Wedding

This is the wedding photo of Ester Finanser, my uncle Pepo Finanser's daughter. It was taken in Istanbul in 1967. Pepo Finanser was my mother's brother. He was in the wholesale textile business. He was married to Rashel Tovi. They had a daughter, Esterika. They lived in Istanbul but emigrated to Israel towards the end of their lives. Pepo died there in 1971, as did his wife shortly after. Their daughter still lives in Israel.
