

Marta Pasternakova And Katarina Samolovicova

This picture shows my mother, Marta Pasternakova, nee Preisova (second from left) and her sister Katarina Samolovicova, nee Preisova with friends in Lipovec valley. The photo was taken in 1926. You can also see the Moses Column and a waterfall. The photo is from one of the trips organized by the Maccabi organization. My father, Teodor Pasternak, used to plan the trips.
