

The Steiner Children

This photo was taken after World War II. On the photograph there are all Steiner children who survived the Holocaust, apart from me, because I did not live in Bratislava. From the left there are: Cvi, Cipora, Natan, Shoshana, David, Chana and Jehoshua. All of them live in Israel, only Cipora died long ago in Israel. She was married to an Israeli scientist and her daughter is an artist.
