

Wedding Photo Of Pal And Rozsi Preisz

This is wedding photo of my uncle Pal and Rozsi Preisz, nee Erlik. The photo was taken in Nagykata in 1929. Uncle Pal was the second-youngest brother of my father. He got married in 1929 and him and his wife had a daughter called Zsuzsa. My uncle and his family lived in Jaszbereny and they were movers. They had two trucks and moved all kind of things with them. They had a bus as well. They were all taken to Auschwitz. They never came back.
