

## **Lubov Ratmanskaya's Uncle Noah Ratmansky, And His Nephew Mikhail Ratmansky**

My father's brother Noah Ratmansky, and his nephew Mikhail. The photo was taken in 1914 in America. My father's elder brother, Aron-Shloyme, moved to America. He invited Noah to America - the brothers found jobs there. But I don't remember what their professions were. I think something to do with commerce. And later Noah invited his nephew Mikhail.
