

Julius Weisz With His Niece Ilus Weisz And Her Son Erik Weisz

In this picture you can see my grandfather, Julius Weisz, and his niece with her son. The picture was probably taken in Karlovy Vary, but I don't know when. Grandpa's niece, Ilus Weisz and her son Erik Weisz later moved to Israel, because life in Mocenok was terrible. I met the boy in Israel, but he didn't remember me at all. At that time his mother was already long dead.
