

Sorel And Camil Abramovici

These are two cousins of mine. The picture was taken on 9th May 1941 in Bucharest at the Eduard Photo Cabinet. The elder is Sorel (on the right); he settled in Israel, worked as a doctor and is currently a retiree. In this picture, Sorel may have been 13, and Camil - 10-12. They were dressed fashionably, with shorts and long socks.
