

Tinka Deccalo And Her Father Leon Uziel

On this photo you can see Tinka Deccalo, nee Uziel, my husband's sister. She is the second on the left. There's also my father-in-law Leon Uziel, my husband's father. I don't know about the other people. The photo was taken in the 1940s. Tinka was born in 1921. Before the war she was a dressmaker. She didn't after the war. She got married in 1941. Her husband was a salesman. She died in 1992 in Haifa, Israel, six months after her husband Nissim's death.
