

The Borecki Family

This is the Borecki family, friends of my sister Rywa Yavnai, nee Weinryb, in Toulouse in the 1930s. Mr. Borecki and Dora Borecki, nee Luksemburg, got married after a few years they spent in Toulouse. In the center is their child. Eventually this boy became a ship captain. The Borecki family never came back to Poland. They emigrated to Palestine before World War II.
