

Zinaida Ferdmann

The picture was taken at a beauty contest in Narva in 1933. My mother Zinaida Ferdmann, nee Donets, was the beauty queen of Narva. Her picture was taken after the award ceremony. The inscription on the band says: the contest winner.

My grandparents had two daughters. Mother was the elder one, born in 1912. Her Jewish name was Zelda, but she was always called Zinaida. Mother's sister Maria was born in 1913. She was called Musya in the family. Mother's family was rather well-off. Mother and Musya graduated from the Russian lyceum in Narva. At that time it was considered to be a good education. Mother was very beautiful. She had a very beautiful, feminine shape with a small waist. In 1933 she was even elected the beauty queen of Narva.

I do not know how my parents met. Narva was a small town and Jews always met in the synagogue at charity events. There are a lot of places where two young people can meet each other. All I know is that it was not a prearranged marriage. In spite of the fact that Grandmother Yachna was an ardent follower of traditions, prearranged marriages were not common in our family. All her children had a love wedlock. My parents got married in 1933. They had a traditional Jewish wedding with a rabbi and chuppah.
