

## Albert Federgrün With His Sister Regina And Brother-In-Law Moniek Griner

This is my father, Albert Federgrün. He is standing first from left with his sister, Regina and her husband Moniek or Mojzesz Griner. This picture was taken in 1935, but I don't know where.

My father, Albert Federgrün, Abel, was born on 1st September 1896. He had three brothers and a sister: there were five of them altogether. Uncle Adolf was really Awawie, Uncle Snil was Samuel, the youngest uncle, Dolek, was David, the one sister was Regina and her husband Moniek was Mojzesz Griner.

Regina didn't work, she was a housewife. Her husband, Uncle Moniek, worked as a journeyman at the butcher's. They had two small children. I am embarrassed to admit that I don't remember their names.
