

Minna Birman And Her Relatives

This is me, Minna Birman (first from the right), my husband Revmir Cherniak (second from the right), my husband's sister Mariana Aihenvald, her husband Naum Aihenvald. This photo was taken in Tashkent in 1980.

My husband's sister Mariana Aihenvald also was evacuated to Tashkent. After the war she and her husband Naum Aihenvald settled there. In 1980 we visited them in Tashkent. It was a nice meeting. Tashkent is a beautiful city. It was wholly reconstructed after the terrible earthquake of 1966. We were walking much about the town.
