

Golda Gutner's (mother's Sister) Soreh-Liba Vengerova (nee - Lurye)

My aunt (my mother's sister) Soreh-Liba Vengerova (nee - Lurye). End of the 19th century; Konotop.

Keeping order around the house of such a large family and feeding the workers of - all of these duties rested on the shoulders of my grandmother Fruma-Tsivye. They also had cows. Their children certainly helped the parents. Everyone was working. They owned nothing but the

workshop. Aunt Soreh-Liba, for instance, soldered together with her father's workers.
