

Efim Bezrodniy's Uncle (maternal) Iolik Drannikov

Mamma's brother Iolik Drannikov. My mother's second brother Iolik - we called him Yulik in the family - was a worker, too. He got married late and his girl was born when he was about forty years old. Iolik Drannikov, his wife Tsylia and their daughter Mirrah lived in Kiev. During the war they all were in the evacuation with Emmanuil's family. Iolik died in the middle of 1950s in Kiev. His wife and daughter passed away, too.
